FARMER'S DEPARTMENT.

The profits from the Japanese tobacco monopoly for the first year are about \$13,500,000.

Mr. Richard Bibb has sold to John Camenisch his 70-acre farm, between Turnersville and McKinney, for \$6,000. It is probable that Mr. Bibb will move his family to Nashville.

Thomas McBeath bought eight yearling cattle from Allen & Luce at \$24.50 and \$27, also a bunch of hogs from D. N. Prewitt at 44c. M. J. Farris bought Monday in Harrodsburg 70 choice red and roan steers at from 3 to 3 1/2c.—Advocate.

A. E. Hundley booked 17 mares Monday, court day, to his great young stallion, Red Bond 32278. He is a great trotter, as well as one of the greatest show horses in Kentucky, and people who breed to Red Bond will be sure to get good sellers.—Harrodsburg Herald.

Large farms are not always economically managed. But it is said of the big farm of David Rankin, of Missouri, that the owner makes it pay. He has 25,000 acres, 22,115 are under cultivation. It is estimated that it takes more than \$125,000 a year to run it. Mr. Rankin employs about 300 men and uses 700 horses and mules in his farm work. Rankin's greatest pride is his corn field. It runs a mile and a half and is a mile wide. He is the man who said he would never sell a bushel of corn he produced. He feeds it to live stock and markets it that way. He says it is the only way to get its value. The value of cattle sold annually from the Rankin farm amounts to a round \$300,000.

Last Hope Vanished.
When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then, I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c and \$1 bottles at G. L. Penny's, Stanford, and Lyne Bros., Crab Orchard. Trial bottle free.

Cyrus Townsend Brady tells this story of a young married couple in New York: One morning at breakfast, after looking over a pile of bills, the husband inquired: "Why do you have an account at so many stores, my dear?" "Oh," said his wife sweetly. "Don't you see? If you buy by things that way it makes all the bills so much smaller!"

A Daredevil Ride.

Often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot from an accident," writes Theodore Scheule, of Columbus, O., "caused me great pain. Physicians were helpless but Bucklen's Arnica Salve quickly healed it. Soothes and heals burns like magic. 25c at G. L. Penny's, Stanford, and Lyne Bros., Crab Orchard, druggists.

WM. ADAMS & SON, Lexington, Ky.

The Old 'Un and Dr. Osler.

It was a gray bearded gentleman. Who chanced to come my way. "Good morning, gransire," I remarked, "How do you do today?"

"Oh, very well, indeed, my boy," He answered with a smile. "This morn I took an ice-cold bath And walked full seven mile."

"I breakfasted on ham and eggs At 7 of the clock; Then took the subway Walk streetward To count my wated stock."

"I run eleven railway lines, I own full twenty banks. I've organized the toothpick trust— It keeps me busy, thanks."

"At 4 o'clock this afternoon, When office hours are through, Just watch me take my exercise— I'm learning jiu jitsu."

"At evening after dinner time, To make the long hours pass, I sometimes lecture to the poor, Or teach a Bible class."

"And later, in the wee, small hours, Lest any moment pall, I work upon my novel, which I'll publish in the fall."

"I'm feeling pretty peart," he said, "But suddenly, in fright, The old man clutched his hoary beard And turned both faint and white."

For coming down the pike he saw A well-remembered form— For it was Dr. Osler with A can of chloroform!

Chamberlain's Cough Remedy
the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by Lyne Bros., Crab Orchard.

Care taken to prevent accidents, but not responsible should any occur. Mares grazed at reasonable rates. CHARLES MUNNELL, Turnersville, Ky.

KING NAPOLEON.

Black Jack, 15 3/4 hands high. Was sired by Tarkington's Napoleon, 1st dam Black Hawk No. 2, who was a son of Stagnant's Cane, by Peter's Black Hawk, 2nd dam by Gro. Wood. Will serve 30 mares, besides those of his owner, at \$10 to insure a living colt. Trading the horse for the insurance. No responsibility for accidents. E. P. WOOLFS, Stanford, Ky.

WOOD WILKES.

Record over Crab Orchard track—1-4 mile in 25.
Sired by Broeze Wilkes, he by Petroskey, he by George Wilkes, he by Hysdyck's Hambleton 10. Wood Wilkes' 1st dam Katie Crow, by Crow's Smuggler, 2nd dam by Peter's Smuggler, 215 1-4, Katie Crow's dam by Almont, Jr., he by Col. West's Almont, 2nd dam Todhunter's Mambrino, by Mambrino Chief 11, 3rd dam by McIntire's Denmark. Will make the present season at my place on Somerset pike, 1-2 miles from Stanford, at \$10 to insure a living colt. Wood Wilkes is a coming 6-year-old and has already proven himself a great breeder. His colts show speed and an abundance of style. They are big, rangy fellows and step well. Lien retained on colts till season is paid. Mares traded or sold for insurance and makes season money due. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should any occur. FELIX WITTE, Stanford, Ky.

THE HOME OF VINOL

Galton 12910.

Sired by Gambetta Wilkes, 2:19 1/4, 1st dam Daisy Field, (grand-dam of Alice Wilkes, 2:17, Anetta, 2:15 1/4), by K&H-sid, sire of six in 2:30 and dams of 50 in 2:30 or better; 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/4, Lemonade 2:37 1/4, and the dams of 15 in the list; 3rd dam by Old Joe sire of the dam of J. Q. 2:17 1/4. Galton carries the blood of four leading families—Wilkes, Hambletonian, Mambrino Chief and Seeley's American Star. Galton is a dark bay, 15 1/2, breeds large with fine style and action and a sire of speed. Only three of Galton's colts have been handled for speed having all worked miles out in 2:25 and better. This is evidence that he will get plenty of speed from the right class of mares and a horse that can't get speed, can't get action or good road horses. I have recently sold four of his colts, three to five-years-old, at an average of \$300. Sold another four-year-old for \$400; she got crippled before shipping, therefore lost the sale. I have one that I can sell at any time for \$500. Mr. Middleton and myself have one at Danville we have refused \$150 for. He will be handled this season for speed. O. C. Carpenter has a young gelding by Galton and has refused \$500 for him. He holds him at \$1,000. This is just a few instances of recent sales. Galton has made all of his seasons at \$1,000, 11 in all, and served the last three seasons an average of 75 mares the season. This is another of the best recommendations a stallion can have. He was a great show horse in his young days, having defeated some of the best in harness classes, and labored under a great disadvantage, owing to a very bad cripple in one shoulder at a two-year-old, with the cripple he can work a mile in 2:25, with but little handling. His colts have gone against and defeated the best, one of his colts having won a \$75 premium at the Hustonville Fair over the best. This is a few instances of what he has already done, not what he is going to do. For I think his future will be much better, as the class of mares he is getting of late are much better than his first seasons. Galton's sire, Gambetta Wilkes, has produced one of the greatest families. He has 18 in the 2:15 list. This is more than any other horse has in 2:15. He has 161 in 2:30 and better. This is more than any other horse of his age has in the 2:30 list. Gambetta's sons and daughters have over 400 in the 2:30 list. This is proof that Galton has a right for what I claim for him. Galton will stand at \$10 to insure a live colt, mares traded off after breeding for insurance. Grass after the 30th of April at \$2 per month. Will stand at my place two miles West of Hustonville on Bradfordville pike. Phone in residence W. M. DODD, Hustonville, Ky.

DOCK GRAY.

Shetland Pony, 6-years-old, 38 inches tall, owned by Hugh Reid Foster, will make the season at \$10 to insure a living colt. Dock is by an imported pony that cost \$1,000 in the Shetland Islands and is regarded by horsemen as the best pony in Kentucky, defeating all comers in show ring in 1904. Lien retained on all colts until season is paid. Mares parted with or bred elsewhere forfeits insurance and money becomes due. Will make the season at my barn in the West End of Stanford. If not at home call on James G. Reid at st. Asaph Hotel. E. H. BEAZLEY, Stanford, Ky.
